

# Taller Than the Space

solo piano with lyrics — a tree that grew as I grew

original composition

Chord progression for the first system:  $D^{\Delta 9}$  freely, like a chorale  $G^{\Delta 7\#11}$   $Em^{11}$   $A^9 \text{ sus}4$   $D^{\Delta 9}$  intimate  $Bm^{11}$   $G^{\Delta 9}$

7  $Em^{11}$   $A^9 \text{ sus}4$   $A^{13}$   $F^{\Delta 9}$   $Bb^{\Delta \#11}$   $C^9 \text{ sus}4$

11  $G^{\Delta 9}$   $Em^{11}$   $A^{13}$   $D^{\text{add}9}$   $G^{\Delta \#11}$  opening, spacious

15  $D^{6\ 9}/F^{\#}$   $Bm^{11}$   $Em^{11}$   $D^{6\ 9}/F^{\#}$   $G^{\Delta 9}$   $A^9 \text{ sus}4$   $Bm^{11}$   $Bb^{\Delta \#11}$

19  $G^{\Delta 9}$   $A^9 \text{ sus}4$   $A^{13}$   $D^{\Delta 9}$  softer  $Bm^{11}$   $G^{\Delta 9}$

*pp* You were counting rings while I counted days,  
Reaching up the same way that I reached; Every height I gained, you had held be-fore.  
*mf* Shade was just a language that we shared. Now the light falls straight where you once stood,  
There's a shape of air that holds your name. I keep growing toward what isn't there,  
*p* Tall-er than the space you left behind. Your roots remembered what the rain forgot,

23  $Em^{11}$   $A^9 \text{ sus4}$   $A^{13}$   $Bb^{\Delta 9}$   $Eb^{\Delta 7\#11}$   $F^9 \text{ sus4}$

Bark still held the shape of climbing hands. Every sea - son wrote it-self in you,

27  $G^{\Delta 9}$   $Em^{11}$   $A^{13}$   $D^{add9}$   $F^{\Delta 9}$   $Ab^{\Delta 7\#11}$

Ev-ery sea - son wrote it-self in me. *pp* Where does a sha - dow go

*suddenly distant*

31  $Bb^{\Delta 9}$   $Em^{11}$   $A^{13}$   $G^{\Delta \#11}$

when there is no tree to cast it? *f* Now the light falls straight where you once stood,

*full, ringing*

35  $D^6 9/F\#$   $Bm^{11}$   $Em^{11}$   $D^6 9/F\#$   $G^{\Delta 9}$   $A^9 \text{ sus4}$

There's a shape of air that holds your name. I keep growing toward what

38  $Bm^{11}$   $Bb^{\Delta \#11}$   $G^{\Delta 9}$   $A^9 \text{ sus4}$   $Gm^6$   $D^{\Delta 9}$

is-n't there, Tall - er than the space you left be-hind. *pp*

*let it ring*
